

Vision:
Louisiana Tech University will be recognized as a top public research university with an unparalleled integrated educational experience.

Theme 1

Recruiting and retaining a model student body and university community.

- Recruit, develop, and retain faculty and staff committed to TECH 2020.
- Implement a comprehensive undergraduate student retention and graduation performance plan.
- Recruit an increasingly selective and diverse undergraduate student body.
- Implement a comprehensive graduate student retention and graduation performance plan
- Recruit an increasingly selective and diverse graduate student body.

Theme 2

Integrating learning, discovery, and development for an unparalleled education.

- Create an Honors College for exceptional students.
- Enhance interdisciplinary, experiential learning, international experiences, and student involvement in campus organizations and community activities.
- Establish a student success facility to provide centralized academic, technical, life-skills, and personal development/support.
- Establish a model P-16 education experience.
- Ensure a nationally competitive athletic program that wins with integrity.
- Expand availability and accessibility to campus resources.

Theme 3

Elevating our research and graduate program to national prominence and expanding our engine for economic growth.

- Increase the volume of externally supported research and scholarly activity.
- Expand the endowment of the Foundation to support the University community.
- Develop innovative business and technology incubation infrastructure.
- Increase production of doctoral completers per year.
- Establish a P-16 model school and laboratory to support the economic enterprise.
- Expand undergraduate research experiences.
