

Transfer, Re-Admission & Non-Traditional Orientation

We understand that you are not new to college, but you are new to the Louisiana Tech campus. For more than 35 years, Louisiana Tech Orientation has helped make the transition to Tech easier. Join other transfer, readmission and non-traditional students in an informal seminar to learn more about Tech from a new perspective. You can also meet with academic advisors and register for fall classes. After orientation, you'll be well on your way to becoming part of the Tech Family.
