# Human Ecology

*"Improving the lives of individuals and families"*

## Scholarships

College of Applied & Natural Sciences  
Louisiana Tech University

The School of Human Ecology understands the key to any students' success is a great education. The Human Ecology faculty is dedicated to ensuring that all students are given the opportunity to live up to the best of their abilities.

The School of Human Ecology is proud to offer many scholarships to deserving students each year. Scholarships are awarded based on academic performance and professional and extra-curricular activities.

It is important to us that students are offered scholarships that will help make their learning experience more enjoyable and affordable. With the help of scholarship opportunities, students can reach their full potential while enrolled in the School of Human Ecology at Louisiana Tech University.
