Finances

Education at Louisiana Tech is an excellent investment for the future. Basic tuition is very reasonable. Out-of-state fees are waived for students meeting certain requirements. There are a number of scholarships available for excellent students in the School of Forestry. New students are encouraged to submit scholarship applications early.

Student Organizations

Students are encouraged to be involved in student organizations. Associated with Wildlife Conservation is The Wildlife Society, and in the School of Forestry is the student chapter of the Society of American Foresters. Also, there are a number of professional honorary societies.
