Weekly Moodle Tip:

Turn it in assignments can be easily set up in Moodle.

To set up a Turn it in assignment, go to your course page and click on “Add an activity”.

Next, select “Turn it in Assignment” from the drop down menu. (Note: it should be near the end of the menu).

Fill in the necessary information and click “Save and return to course”.

To upload a file, students will click on the assignment name in Moodle. Then they will click on the “Submit Paper” tab and follow the steps.
