

REGISTRATION SCHEDULES (Winter 2009-10) – ENGINEERING

For students eligible for MATH 242

If you are eligible for MATH 242, you should register for the schedule shown below. Note that the section number is important since these courses are integrated with each other.

Schedule 1					
Course	Section	Call Number	Instructor	Time	Credit Hours
ENGR 122	001	20862	Cronk	TR 2:00-3:50	2
MATH 242	001	21316	Barron	MWF 11:00-12:15	3
PHYS 201	001	21533	Wobisch	MWF 8:00-9:15	3
Additional course selected from your curriculum check sheet. (See the list below for suggestions.)					3
Total Hours					11

The following courses will apply toward most curricula. However, you should follow your curriculum check sheet or ask you advisor if you have any questions.

ART 290 or KINE 280 or MUGN 290 or SPTH 290 (Only one of these four)
 BISC 101 (Not for Biomedical, Chemical, or Nanosystems Engineering Majors)
 ECON 215
 ENGL 101, 102
 GEOG 205 or 210 (meets International Education Requirement – IER)
 HIST 101 or HIST 102 (meets IER) or HIST 201 or HIST 202 (Only one of these four)
 POLS 201
 PSYC 102
 SOC 201

REGISTRATION SCHEDULES (Winter 2009-10) – ENGINEERING

For students eligible for MATH 241

If you are eligible for MATH 241 (based completion of Math 240 with a C or better), you should register for any of schedules 1 through 4 shown below. Note that the section number is important since these courses are integrated with each other. In other words, you can not mix and match classes from different schedules.

Schedule 1					
Course	Section	Call Number	Instructor	Time	Credit Hours
ENGR 121	001	20858	Easley	MW 8:00-9:50	2
MATH 241	004	21313	Camp	MWF 11:00-12:15	3
CHEM 101	any				2
CHEM 103	any				1
Additional course selected from your curriculum check sheet.					3
Total Hours					11

Schedule 2					
Course	Section	Call Number	Instructor	Time	Credit Hours
ENGR 121	002	20859	Cronk	MW 10:00-11:50	2
MATH 241	005	21314	Camp	MWF 12:30-1:45	3
CHEM 101	any				2
CHEM 103	any				1
Additional course selected from your curriculum check sheet.					3
Total Hours					11

Schedule 3					
Course	Section	Call Number	Instructor	Time	Credit Hours
ENGR 121	003	20860	Nelson	TR 10:00-11:50	2
MATH 241	001	21310	Barron	MWF 12:30-1:45	3
CHEM 101	any				2
CHEM 103	any				1
Additional course selected from your curriculum check sheet.					3

CHEM 103	any				1
Honor's course or another general education course from your curriculum check sheet.					3
Total Hours					11

REGISTRATION SCHEDULES (Winter 2009-10) – ENGINEERING

For students eligible for MATH 240

If you are eligible for MATH 240 you should register for schedule 1, 2, or 3 shown below. If you are just now completing Math 100, you are required to enroll in Math 112, Trigonometry, before enrolling in Math 240. It is assumed that all students enrolling in Math 240 have successfully completed a very strong full semester trigonometry course in high school. Students who have not completed such a course, with a grade of A or B, will find it very difficult to be successful in the Math 240 sequence of courses. Even if you are completing Math 101, you should seriously consider taking Math 112 unless you had a strong trigonometry background in high school.

Note that the section number is important since these courses are integrated with each other. In other words, you can not mix and match classes from the schedules below.

*****Students in ENGR 120 are required to buy a Boe-Bot!*****

Total Hours					10

The following courses will apply toward most curricula. However, you should follow your curriculum check sheet or ask your advisor if you have any questions.

ART 290 or KINE 280 or MUGN 290 or SPTH 290 (Only one of these four)

BISC 101 (Not for Biomedical, Chemical, or Nanosystems Engineering Majors)

ECON 215

ENGL 101, 102

GEOG 205 or 210 (meets International Education Requirement – IER)

HIST 101 or HIST 102 (meets IER) or HIST 201 or HIST 202 (Only one of these four)

REGISTRATION SCHEDULES (Winter 2009-10) - ENGINEERING

For students eligible for MATH 112

If you are eligible for MATH 112 (based on completion of MATH 100 with a C or better), you should register for the schedule shown below. Note that MATH 112 is a critical class. You must successfully complete this class (with a grade of C or better) to move into the integrated engineering courses in the next quarter.

Course	Section	Credit Hours
MATH 112	Any Section	3
Any two or three general education courses from your curriculum check sheet. (See the list below for suggestions.)		6 or 9
Total Hours		9 or 12

The following courses will apply toward most curricula. However, you should follow your curriculum check sheet or ask you advisor if you have any questions.

ART 290 or HPE 280 or MUGN 290 or SPTH 290 (Only one of these four)
 BISC 101 (Not for Biomedical, Chemical, or Nanosystems Engineering Majors)
 ECON 215
 ENGL 101, 102
 GEOG 205 or 210 (meets International Education Requirement – IER)
 HIST 101 or HIST 102 (meets IER) or HIST 201 or HIST 202 (Only one of these four)
 POLS 201
 PSYC 102
 SOC 201

NOTE: Do NOT take a chemistry class this quarter. Chemistry will be a part of the integrated courses you will begin next year. If you are required to take any developmental classes (099 classes), you should take them this quarter.

REGISTRATION SCHEDULES (Winter 2009-10) - ENGINEERING

For students eligible for MATH 101

If you are eligible for MATH 101 (based on ACT-Math score of 22 to 25, or placement test results), you should register for the schedule shown below. Note that MATH 101 is a critical class. You must successfully complete this class (with a grade of C or better) to move into the integrated engineering courses in the spring quarter.

Course	Section	Credit Hours
MATH 101	Any Section	3
Any two or three general education courses from your curriculum check sheet. (See the list below for suggestions.)		6 or 9
Total Hours		9 or 12

The following courses will apply toward most curricula. However, you should follow your curriculum check sheet or ask you advisor if you have any questions.

ART 290 or HPE 280 or MUGN 290 or SPTH 290 (Only one of these four)
 BISC 101 (Not for Biomedical, Chemical, or Nanosystems Engineering Majors)
 ECON 215
 ENGL 101, 102
 GEOG 205 or 210 (meets International Education Requirement – IER)
 HIST 101 or HIST 102 (meets IER) or HIST 201 or HIST 202 (Only one of these four)
 POLS 201
 PSYC 102
 SOC 201

NOTE: Do NOT take a chemistry class this quarter. Chemistry will be a part of the integrated courses you will begin next year. If you are required to take any developmental classes (099 classes), you should take them this quarter.

REGISTRATION SCHEDULES (Winter 2009-10) - ENGINEERING

For students required to take MATH 100

If you are required to take MATH 100 (based on ACT-Math score of 19 to 21, or placement test results), you should register for the schedule shown below. After MATH 100, you will need to take MATH 112 (trigonometry). You will begin the integrated engineering sequence (including CHEM 100 and MATH 240) in the fall quarter next year after you have successfully completed MATH 112.

Course	Section	Credit Hours
MATH 100B	Any Section	2
MATH 100C	Same Section as MATH 100B	3
Any two general education courses from your curriculum check sheet. (See the list below for suggestions.)		6
Total Hours		11

The following courses will apply toward most curricula. However, you should follow your curriculum check sheet or ask your advisor if you have any questions.

- ART 290 or KINE 280 or MUGN 290 or SPTH 290 (Only one of these four)
- BISC 101 (Not for Biomedical, Chemical, or Nanosystems Engineering Majors)
- ECON 215
- ENGL 101, 102
- GEOG 205 or 210 (meets International Education Requirement – IER)
- HIST 101 or HIST 102 (meets IER) or HIST 201 or HIST 202 (Only one of these four)
- POLS 201
- PSYC 102
- SOC 201

NOTE: If you are required to take developmental classes (099 classes) in addition to MATH 100, you should take them this quarter.

REGISTRATION SCHEDULES (Winter 2009-10) - ENGINEERING

For students required to take MATH 099

If you are required to take MATH 099 (based on ACT-Math score ≤ 18 , or placement test results), you should register for the schedule shown below. Note that MATH 099 is a critical class. Even if you must take more than one developmental (099) course, you should register for MATH 099 *this* quarter.

Course	Section	Credit Hours
MATH 099	Any Section	4
Any two general education courses from your curriculum check sheet. (See the list below for suggestions.)		6
Total Hours		10

The following courses will apply toward most curricula. However, you should follow your curriculum check sheet or ask your advisor if you have any questions.

ART 290 or KINE 280 or MUGN 290 or SPTH 290 (Only one of these four)
BISC 101 (Not for Biomedical, Chemical, or Nanosystems Engineering Majors)
ECON 215
ENGL 101, 102
GEOG 205 or 210 (meets International Education Requirement – IER)
HIST 101 or HIST 102 (meets IER) or HIST 201 or HIST 202 (Only one of these four)
POLS 201
PSYC 102
SOC 201

NOTE: If you are required to take other developmental classes (099 classes) in addition to MATH 099, you should take them this quarter.
