

REGISTRATION SCHEDULES (Fall 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 240

If you are eligible for MATH 240, based on

- Completion of Math 100 or 101 AND Math 112 with grade of C or higher
- ACT-Math 22-25 (or SAT-Math score of 520-580) and credit with grade of C or better for Math 101 and for trigonometry from high school
- ACT-Math 26 or higher (SAT-Math 590 or higher) AND credit with grade of C or better in trigonometry from high school

...you should register for Schedule 1, shown below, if you are not a Computer Science major. CS majors should register for Schedule 2, below (since they do not take chemistry and their biology course is to be taken later). Note that the section number is important since these courses are integrated with each other. You must take all of the courses as listed in the block. Do NOT mix and match courses from different schedules.

Schedule 1 Non CS Majors Only					
Course	Section	Call Number	Instructor	Time	Credit Hours
BISC 130	002	10198	Schuler	11:00 – 12:15 MWF	3
BISC 131	006	10204	White	8:00 – 11:00 R	1
CHEM 100	002	10364	Siriwardane	9:30 – 10:45 MW	2
MATH 240	008	11465	Barron	8:00 – 9:15 MTWF	3
UNIV 100	020	12038	Barron	2:00 – 3:15 TR	1
Another course required by your curriculum *					3
				Total Hours	13

Schedule 2 CS MAJORS ONLY					
Course	Section	Call Number	Instructor	Time	Credit Hours
MATH 240	008	11465	Barron	8:00 – 9:15 MTWF	3

*Note: Do NOT take CHEM 101-104, PHYS 201, 202, 209, 210, 261, 262, or MATH 241-245 here, as these courses are part of the integrated science curriculum and need to be taken at the proper time in order to integrate the content.

REGISTRATION SCHEDULES (FALL 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 241

If you are eligible for MATH 241 (based on completion of Math 240 with a C or better), you should register for Schedule 1, below, unless you are a Computer Science Major. CS majors need to register for Schedule 2 (since they do not take chemistry). Note that the section number is important since these courses are integrated with each other. Do not mix and match courses from different schedules.

Schedule 1 Non-CS Majors Only					
Course	Section	Call Number	Instructor	Time	Credit Hours
CHEM 101	001	10369	Staff	8:00 – 9:15 TR	2
CHEM 103	001	10372	Eddy	1:15 – 5:30 T	1

*Note: Do NOT take BISC 130, 131, PHYS 201, 202, 209, 210, 261, 262, or MATH 242-245 here, as these courses are part of the integrated science curriculum and need to be taken at the proper time in order to integrate the content.

REGISTRATION SCHEDULES (FALL 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 242

If you are eligible for MATH 242 (based on completion of Math 241 with a C or better), you should register for Schedule 1, below, unless you are a Computer Science Major. CS majors need to register for Schedule 2 (since they do not take chemistry). Note that the section number is important since these courses are integrated with each other. Do not mix and match courses from different schedules.

Schedule 1 Non-CS Majors Only					
Course	Section	Call Number	Instructor	Time	Credit Hours
CHEM 102	001	10371	Sirwardane	10:00 – 11:15 TR	2

Optional - other courses required by your curriculum *					2
				Total Hours	12

*Note: Do NOT take PHYS 201, 202, 209, 210, 261, 262, or MATH 243-245 here, as these courses are part of the integrated science curriculum and need to be taken at the proper time in order to integrate the content.

REGISTRATION SCHEDULES (FALL 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 243 or MATH 311 (CS majors)

If you are eligible for MATH 243 (based on completion of Math 242 with a C or better), you should register for Schedule 1, below, if you are a Chemistry, Physics, or Mathematics Major. CS majors need to register for Schedule 2 (since they do not take Math 243). Education Majors need to take the correct courses listed in Schedule 3 which are in their curriculum (note – you cannot take both Physics 201 and Physics 209). Education Majors should see their academic advisor to ensure that they are registering for the correct classes. Note that the section number is important since these courses are integrated with each other. Do not mix and match courses from different schedules.

Schedule 1 Chemistry, Physics, Mathematics Majors Only

REGISTRATION SCHEDULES (FALL 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 244

If you are eligible for MATH 244 (based on completion of Math 243 with a C or better), you should register for Schedule 1, below, if you are a Chemistry, Physics, or Mathematics Major. CS majors need to register for Schedule 2 (since they do not take Math 244). Education Majors need to take the correct courses listed in Schedule 3 which are in their curriculum (note – you cannot take both Physics 201 and Physics 209). Education Majors should see their academic advisor to ensure that they are registering for the correct classes. Note that the section number is important since these courses are integrated with each other. Do not mix and match courses from different schedules

REGISTRATION SCHEDULES (FALL 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 101/112

If you are eligible for MATH 101 (based on ACT-Math score of 22-25 or SAT-Math score of 520-580)

...or if you are eligible for MATH 112, based on:

- ACT-Math score 21 or below (or SAT-Math score of 510 or below) and completion of Math 100 with grade of C or better;
- or ACT-Math score of 22-25 (or SAT-Math score of 520-580) AND do not have credit for trigonometry from high school AND have completed Math 101 with grade of C or better;
- or ACT-Math 26 or higher (SAT_Math 590 or higher) and do not have credit with grade of C or better for trigonometry from high school,...

... you should register for Schedule 1, shown below.

Schedule 1					
Course	Section	Call Number	Instructor	Time	Credit Hours
MATH 101					3
OR	any				
MATH 112					
UNIV 100	021-027				1
Other courses required by your curriculum *					9
				Total Hours	13

*Note: Do NOT take CHEM 101-104, BISC 130, 131, PHYS 201, 202, 209, 210, 261, 262, or MATH 240-245 here, as these courses are part of the integrated science curriculum and need to be taken at the proper time in order to integrate the content.

REGISTRATION SCHEDULES (FALL 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 100

If you are eligible for MATH 100 (based on ACT-Math score of 18-21 or SAT-Math score of 430-510, or completion of Math 099), you should register for Schedule 1.

Schedule 1					
Course	Section	Call Number	Instructor	Time	Credit Hours
MATH 100 B	any				2
MATH 100 C	any (same section as MATH 100 B)				3
UNIV 100	021-027				1
Other courses required by your curriculum *					6
				Total Hours	12

*Note: Do NOT take CHEM 101-104, BISC 130, 131, PHYS 201, 202, 209, 210, 261, 262, or MATH 240-245 here, as these courses are part of the integrated science curriculum and need to be taken at the proper time in order to integrate the content.

REGISTRATION SCHEDULES (FALL 2008) – INTEGRATED SCIENCE CURRICULUM

(mathematics, chemistry, physics, computer science, biology- research track only, secondary science education and secondary mathematics education majors)

For students eligible for MATH 099

If you are eligible for MATH 099 (ACT-Math score of 17 or below or SAT-Math of 420 or below), you should register for Schedule 1, shown below.

Schedule 1					
Course	Section	Call Number	Instructor	Time	Credit Hours
MATH 099	any				4
UNIV 100	021-027				1
Other courses required by your curriculum *					7
				Total Hours	12

*Note: Do NOT take CHEM 101-104, BISC 130, 131, PHYS 201, 202, 209, 210, 261, 262, or MATH 240-245 here, as these courses are part of the integrated science curriculum and need to be taken at the proper time in order to integrate the content.
