

# Louisiana Tech College of Engineering & Science Grand Challenge Scholars Program

## GC Scholar Apprentice Application

Name: \_\_\_\_\_

Classification: \_\_\_\_\_

Major: \_\_\_\_\_

Cumulative GPA: \_\_\_\_\_

Email address: \_\_\_\_\_

GC Faculty Mentor: \_\_\_\_\_

If you have spoken with a faculty member who has agreed to serve as your Mentor, please list their name in the blank. If you would like assistance in securing a Mentor, please list "Mentor Requested" in the blank.

I have attached the following information:

- 1) A personal essay (1 page, 12-point font, double-spaced minimum) outlining why I am applying to the GCSP and what I hope to gain from it.
- 2) Letters of Recommendation from two faculty members, one of which is my GC Faculty Mentor (see above if you need assistance in securing a Mentor).

I verify that I meet the following criteria:

\_\_\_\_\_ I am a sophomore\* engineering or science major in the College of Engineering and Science at Louisiana Tech University.

\* defined as enrolled in sophomore-level or higher engineering or science courses as listed on the appropriate official curriculum sheet.

Questions about the **GCSP**? Check out the website at: <http://www.latech.edu/coes/gcscholars> or contact: Dr. Jenna Carpenter, Director, Grand Challenge Scholar Program at: [jenna@latech.edu](mailto:jenna@latech.edu)
