

**Ethics in and Assistive Technology**  
**Ricardo Cerna, MS, ATP**  
**Ruston, LA**  
**February 9, 2012**  
**10:00 a.m. - 12:00 p.m. (.2 CEU's)**

**Course Description:**

An introduction course on Ethics designed for Teachers, Speech Language Pathologists, Occupational Therapists, Vocational Rehabilitation Personnel, Guidance Counselors, Service Providers, Parents / Significant Others and anyone interested in service delivery, to provide a base for the ethical responsibilities of those providing assistive technology services. The course is designed for the beginner to the advanced professional, as well as parents or any individual interested in the assistive technology services delivery process. The course will acquaint the participant with some of ethical concerns regarding the provision of assistive technology services.

Four case studies will be presented with the opportunity for the participants to respond – allowing 15 minutes for each case study.

**Fee: *Registration will be \$20 per workshop. There will be no fee for students with Department Head Signature. Continuing Education Credit will be issued. CRC approved in the domain of Ethics.***
