**STEM-Plus
Scholarship Application
2008-2009**

The purpose of this scholarship is to increase the number of highly qualified teachers with baccalaureate degrees in science, technology, engineering, and mathematics (STEM) disciplines who will then spend multiple years in a high-need K-12 system in Louisiana.

The **STEM-Plus Scholarship** is for students who are currently pursuing an undergraduate degree in a STEM field. The scholarship can begin during the senior year of your STEM baccalaureate program and will be as much as \$15,000 per year for up to two years.

The STEM-Plus Scholarship recipient is required to:

1. Be a U.S. citizen or permanent resident.
2. Have been admitted to the Louisiana Tech Graduate School and Master of Arts in Teaching Program.

Once awarded STEM-Plus scholarships, the group of recipients will be committed to:

1. Completing the Master of Arts in Teaching Program.
2. Teaching in a high-need K-12 system in Louisiana two years for every year of scholarship support.

To apply for a STEM-Plus scholarship, please:

1. Completely fill out the application – type or legibly print.
2. Attach a résumé.
3. Attach a copy of your response to the statement, “All children can learn” (from your Master of Arts in Teaching application).
4. Attach copies of your three recommendation letters (from your Master of Arts in Teaching application).
5. Mail your scholarship application materials ALL TOGETHER by February 15, 2008, to:
