MATH 445	Theory of Functions of a Complex Variable (G)			
Complete Two: (*NOTE: MATH 401 must be one of the two three-credit courses selected from this category unless it or an acceptable comparable course has been previously completed.)				
MATH 401*	College Geometry (G)		6	
MATH 505	Linear Algebra			
MATH 435	Introduction of Graph Theory (G)			
MATH 460	Number Theory (G)			
EDCI 599	E-Portfolio		0	
Total Credit Hours			36	

Graduate program requirements: Details are posted in the University Bulletin. It is the student's responsibility to read and understand these requirements.

- Acceptable **GRE** scores and approved **Plan of Study** required during 1st quarter enrolled.
- Minimum GGPA of 3.0 must be maintained throughout the entire program.** No more than two (2) Cs are permitted in the program.
- Substitution courses and transfer courses** must receive prior approval before enrolling in the class.

- d. Candidates beginning the M.S. program during Fall Quarter 2008 and thereafter are required to successfully complete an electronic portfolio and submit it for evaluation via the *TaskStream* web-based toolset and assessment system prior to program completion. The e-portfolio must be submitted no later than the fourth week of the quarter of expected graduation, but may be submitted by the fourth week of the quarter immediately prior to the quarter of expected graduation. Students enrolled in the M.S. programs prior to Fall Quarter 2008 have the option of either successfully completing a comprehensive examination or the e-portfolio (only one option may be selected).

List approved transfer and extension courses. (Limited to nine (9) credit hours.)
