

## Dual Enrollment Overview

### **Current Dual Enrollment Course Offerings**

This program and fee structure applies to courses that are taught off-site (not on Louisiana Tech's campus) at the high schools and which are facilitated by an assigned high school teacher. (All courses are 3 credit hours unless otherwise noted; previous course offerings do not guarantee future course offerings.)

#### Art

Art Appreciation (ART 290)\*<sup>1</sup>

#### Biology

Essentials of Human Anatomy and Physiology, for *non Biology majors* (BISC 224)

Fundamentals of Biology I, for *non Biology majors* (BISC 101)      Fundamentals of Biology II, for *non Biology majors* (BISC 102)

#### Business

Computer Tools for Business (CIS 110)\*<sup>1</sup>

#### Chemistry

Introduction to Inorganic Chemistry (CHEM 120)\*

Introduction to Organic Chemistry and Biochemistry (CHEM 121)\*

Chemistry Lab (CHEM 122)\*, 1 credit hour

#### English

Freshman Composition I (ENGL 101)\*      Freshman Composition II (ENGL 102)\*

#### French

Elementary French (FREN 101)\*      Intermediate French (FREN 201)\*

Elementary French (FREN 102)\*      Intermediate French (FREN 202)\*

#### Health Information Management

Introduction to Medical Terminology (HIM 103)<sup>1</sup>

#### History

World History to 1500 (HIST 101)\*

History of the United States, 1492-1877 (HIST 201)\*

World History since 1500 (HIST 102)\*

History of the United States, 1877-present (HIST 202)\*

#### Kinesiology

Aerobic Conditioning (KINE 120), 2 credit hours

Weight Training (KINE 144), 2 credit hours

#### Math

**There is currently a waiting list for adding any new Math courses.**

College Algebra (MATH 101 or 100)\*, 3 or 5 credit hours      Trigonometry (MATH 112)\*

#### Physics

**There is currently a waiting list for adding any new Physics courses.**

Conceptual Physics I (PHYS 205)

Conceptual Physics II (PHYS 206)

General Physics (PHYS 209)

General Physics (PHYS 210)

### Psychology

General Psychology (PSYC 102)\*

### Spanish

Elementary Spanish (SPAN 101)\*      Intermediate Spanish (SPAN 201)\*  
Elementary Spanish (SPAN 102)\*      Intermediate Spanish (SPAN 202)\*

\*Statewide General Education Transfer Agreement Course

<sup>1</sup>This course is taught by a Louisiana Tech faculty member in an online format; a high school teacher is assigned to facilitate the online instruction and to help their students. This format requires the use of a computer lab.

## Louisiana Tech Dual Enrollment History

	07-08	08-09	09-10	10-11	11-12	12-13	13-14	14-15	15-16	16-17	17-18
Number of High Schools	18	33	34	44	45	48	51	52	62	61	56
Number of Individual students	264	626	801	1,298	1,554	1,692	1,900	2,015	2,864	3,319	3,306

## Criteria to enroll in College Level, Degree Credit Courses

- **Core 4** - must be on track for completing the Louisiana Core 4 Curriculum.
- **Academic Standing** - have achieved 11<sup>th</sup> or 12<sup>th</sup> grade academic standing (*limited enrollment for 10<sup>th</sup> graders requires high school principal and/or counselor recommendation*)
- **Minimum scores** - (*with the recommendation of the high school principal and/or counselor, Louisiana Tech will honor the minimum scores indicated below*)
- **GPA** – must have at least a 2.5 overall high school GPA (2.75 for Fall 2019)

### **Students who have NOT YET taken the ACT test\***

1. Pre-ACT Composite score of 19, and
2. English Pre-ACT of 18, and
3. Math Pre-ACT score of 19

### **Students who have taken the ACT test\***

1. ACT Composite score of 19, and
2. ACT English score of 18, or Accuplacer Sentence Skills score of 86, or COMPASS Writing Skills of 70 , and
3. ACT Math score of 19, or Accuplacer Elementary Algebra of 65, or Accuplacer College Level Math of 20, or COMPASS Algebra score of 40, or COMPASS College Algebra of 43

Students who do not meet the language arts or mathematics skills requirements (English and Math ACT sub-scores) will be allowed limited access to Dual Enrollment courses as long as the student is concurrently working on improving his/her reading/writing/mathematics skills. Before a high school student may enroll in an academic DE course in the Spring Quarter of their senior year, he/she *must* meet the minimum ACT score requirements in both English and Math.

**\*Louisiana Tech will accept an equivalent Pre-ACT score in lieu of an ACT score. If the student has taken the ACT (or Accuplacer or COMPASS), these scores will override Pre-ACT scores and will be used solely as the determining factor for enrollment. This is a Louisiana Board of Regents requirement.**

Although Louisiana Tech sets forth the minimum ACT (or equivalent) scoring requirements for dual enrollment eligibility, each high school reserves the right to require higher minimum scores.

## Student Tuition and Other Expenses

- **Application Fee** - all students are required to pay an annual \$20 application fee. Seniors are not required to pay a second application fee for admission to the University for their freshman year.
- **Tuition** - a **discounted rate of \$150 per three-credit hour course will be charged for 2018-2019**. If a student enrolls and pays for four classes (12 credit hours) during the year (Fall, Winter, and Spring), the fifth class will be complimentary (13<sup>th</sup>,

14<sup>th</sup>, and 15<sup>th</sup> credit hours). Additional courses (beyond 15 credit hours) will be billed at \$150 per three-credit hours. Regular tuition for a three-credit hour course is \$1,023.

- **Text Books and Course Materials** - students are required to use the same textbooks, course materials, and supplies as regular university students. Public high schools have been providing these items for their students. Private, parochial, and home-schooled students will need to consider how these items will be obtained.

### High School Seniors

High school seniors who participate in Louisiana Tech's dual enrollment program will not be required to submit a separate application for admission as a first-time college freshman. The application that seniors complete for dual enrollment will **also serve as their freshman application for admission and scholarships** at Louisiana Tech University.

### Louisiana Tech Faculty/Student ID Cards (Tech Express Cards)

Complimentary ID cards are provided for all dual enrollment students and faculty. Student ID cards allow access to Tech's Library, entrance into athletic events free of charge, and access to the Lambright sports complex. Faculty ID cards allow access to Tech's Library. Obtaining these requires an in-person visit to the campus.

### Dual Enrollment Web Site
