

Camp Descriptions

Spectacular Space and Flight Explorations (June 13-17) (Grades K-3, 4-6)- Students will explore space and commercial flight. Each guest will participate in activities focused on rocketry, engineering, and related NASA content.

Fun at Tech Farm (June 20-24) (Grades K-3, 4-6)- Students will join Louisiana Tech University staff at the Tech Farm and engage in activities from cow milking, to gardening, product tasting and more. Students will explore the science related to multiple farming disciplines and gain first hand experience in the field.

Mind-boggling Microscopic Mysteries (June 27- July 1) (Grades K-3, 4-6)- Students will utilize cutting-edge scientific tools and investigate the purpose and form of microorganisms that can be found right on the tip of a finger. Basic biological principles will be introduced through hands-on learning and exploration.

Each camp will include visits to local destinations related to the content of the week and visits with experts in the corresponding fields!

On Friday, at the end of each week, parents will have the opportunity to visit for presentations of the week's activities and for a graduation ceremony

Camp Fees

All five-day camps are \$120.00 per child per week. Camp fees include camp supplies, use of the Natatorium (pool), and Planetarium along with one IDEA Place

Summer Science Institute T-shirt. Campers will need to bring a sack lunch daily, or one will be provided for them for a fee of \$3.50 per day. Early drop off is available beginning at 7:30 AM for an additional fee of \$3.00 per day. Late pick up is available as late as 5:30 PM for an additional fee of \$5.00 per day.

*****Late registration (after June 3, 2011) will be \$140.00 for tuition*****

Come join the fun!

We can't wait to see you this summer!!!
