

Tony Duplechin commented that his department is continuing to work with USGS Ben McGee on funding for the real-time water well monitors.

The next meeting is scheduled for April 1, 2008 at 3:00 PM in West Monroe, LA.

After a motion by Billy Perritt and a second by Dennis Woodward, the meeting was adjourned.

A handwritten signature in blue ink, appearing to read "Gene Coleman", with a long horizontal flourish extending to the right.

Gene Coleman, Chairman
