LOUISIANA TECH UNIVERSITY

Division of Student Affairs

Students of Louisiana Tech University:

Embarking upon a college career is both exciting and challenging. The staff and personnel in the Division of Student Affairs are prepared to assist you in meeting these opportunities and challenges. You will find that the Student Affairs professionals are dedicated to developing the total intellectual, emotional, spiritual, physical, social, and occupational potential of all of our students. Annually publishing this Student Handbook is one way in which the Student Affairs staff can help students in their personal and educational development.

The purpose of the Student Handbook is to assist each student in having a successful college experience by providing information about campus life, services, programs, activities, and University policies. The staff and personnel in the Division of Student Affairs are eager and committed in helping you make a successful transition to university life. The information provided in this Handbook will serve as a valuable resource as you make this transition and as you meet the challenges and opportunities of college life. We have tried to provide information and to anticipate the questions that you may have during your years at Louisiana Tech University and ask that you use and keep this book as your personal resource.

James M. King
Vice President for Student Advancement
