**Autobiographical Reflective Essay due by 4:00 p.m. on Thursday, January 24th**

*Week 2*

- Read Chapter two and view PowerPoint.
- What does culture have to do with effective or ineffective schools?
- Be aware of the pessimistic news – why schools are typically ineffective: isolation, psychological dilemma, routine, inadequate induction of beginning teachers (reasons), inequity, unstaged career, lack of dialogue about instruction, etc.

**Autobiographical Reflective Essay**

This essay should include your "mental model", your beliefs about learning. "Mental models are beliefs that are often hidden, but structure moment to moment actions." (Caine and Caine, *Education on the Edge of Possibility*, 1997, ASCD). The essay should also include the "daily routines, psychological encounters, and isolation you have confronted as a teacher or observed as a visitor in a school." (See Glickman). So that I can make a connection of who you are, please include your photo with this assignment. This essay should be two - three pages and is due on Thursday, January 24, by 4 pm. Submit through Moodle. (Point value = 100)

Available from: Monday, 7 January 2008, 10:00 AM
