Assignment:

For the next meeting, be prepared to present the following:

- Reviews and/or revisions of the institutional statements (remember that these must be linked to the draft “passion,” “economic engine,” and “vision”—institutional and unit—statements.

Unit-Level Actions:

- Identify units that can take the institution to a position of prominence
- Develop unit vision statements
- Develop strategic initiatives/actions to fulfill institutional and unit vision statements
- Identify Prominence Indicators (using indicators provided or identify appropriate indicators)
- Identify Potential Impacts
- Begin to calculate resources required to accomplish the vision statements and strategic initiatives/actions
