VISION 2020

Goal 1: To be a *Learning Enterprise* in which all Louisiana business, institutions, and citizens are actively engaged in the pursuit of knowledge, and where that knowledge is deployed to improve the competitiveness of businesses, the efficiency of governmental institutions, and the quality of life of its citizens.

Goal 2: To have an economy driven by a diverse and thriving set of technology-intensive industries that actively utilize Louisiana’s colleges and universities as a source of well-educated graduates as employees, a source of expertise for problem-solving, and a source of technology for commercialization.

Goal 3: To have a standard of living among the top ten states in America and safe, healthy communities where rich natural and cultural assets continue to make Louisiana a unique place to live, work, visit, and do business

BOARD OF REGENTS MASTER PLAN

Goal I: Increase opportunities for student access and success
Goal II: Ensure quality and accountability
Goal III Enhance service to the community and state

ULS NINE-POINT STRATEGIC INITIATIVE

1. Build model departments/unique areas of excellence
2. Encourage students to excel after graduation
3. Continuously monitor performance/accountability
4. Strengthen local and alumni relationships
5. Hire and develop targeted Astar@ faculty
6. Recruit, develop, and retain talented faculty
7. Recruit best students
8. Use newest technology to facilitate teaching and provide flexible interaction between faculty and students

LOUISIANA TECH PERFORMANCE-BASED STRATEGIC PLAN

Goal I: Increase the enrollment of and maintain the retention rate of first-time freshmen.
Goal II: Develop and integrate the use of advanced technology in areas of University life
Goal III: Provide a streamlined, efficient infrastructure necessary to facilitate research and scholarly activity
Goal IV: Enhance faculty, administrator, and staff human resources through professional development and training
