PART VI
UNIVERSITY FACULTY AND ADMINISTRATORS

Board of Regents Support Fund Endowed Faculty

Louisiana Board of Regents Support Fund Endowed Chairs

The goal of the Endowed Chairs Program is to assist colleges and universities primarily in attracting but also in retaining eminent scholars who will contribute significantly to the enhancement of the overall infrastructure of higher education in Louisiana. This Program is highly leveraged by its requirement of a three-to-one private-sector match: at least $600,000 in private-sector funds is a prerequisite to receiving Support Fund matching funds of $400,000, maximum. Louisiana Tech has received donor gifts and matching funds from the Board of Regents Support Fund to establish nine $1 million endowed chairs. Faculty appointed as endowed chairs must have a national/international reputation in the discipline, a record of prominent leadership roles in the profession, outstanding publication record, a record of external research or recognition for innovation in teaching and development of grants and awards; and/or an acclaimed performance and creative portfolio, as appropriate to the chair. The Board of Regents Support Fund Eminent Scholar Chairs and the current faculty recipients listed in order of establishment are:

T. L. James Eminent Scholar Chair - Civil Engineering - Dr. Freddy Roberts
Pipes Eminent Scholar Chair - Mechanical Engineering
Harold J. Smolinski Eminent Scholar Chair - Accounting - Dr. Ted D. Englebrecht
Elva J. Mann Eminent Scholar Chair - Human Ecology - Dr. Alice Hunt

Louisiana Board Of Regents Support Fund Endowed Professorships

Endowed Professorships are established for the purpose of providing an annual funding source to enhance program and faculty development. Holders of the professorships should be of such quality and professional stature as to provide excellence in program leadership and bring national and international recognition to the University. Louisiana Tech has received donor gifts and matching funds from the Board of Regents Support Fund to establish more than 94 endowed professorships. The Board of Regents Support Fund Endowed Professorships and the current faculty recipients listed in order of establishment are:
