STUDENT EMPLOYMENT ELIGIBILITY RULES (*Student eligibility rules apply to ALL students, ALL quarters*):

- Students must be enrolled at least half-time to be eligible for student employment. Half time enrollment is defined as 4 hours for undergraduates or 3 hours for graduates.
- Students must have cumulative undergraduate GPA of 2.0 or cumulative graduate GPA of 3.0 during employment. First time freshmen must have an ACT Composite score of 20 or higher at time of employment.
- Enrollment hours and GPA must be checked before hire date and at the beginning of each quarter. You can check the CICS system or with the FAO to make sure each student worker is enrolled at least half-time and is meeting the cumulative college GPA required. If a student does not meet one of these, employment must discontinue immediately.
- Student workers will be allowed to hold only one job at a time during an academic year (ex: FWSP, Regular Funds, Graduate Assistantship, etc).
- Student employees may work an average of 20 hours per week (*not to exceed 25 hours per week*) or 80 hours in a pay period during any 4 week pay period. **NO EXCEPTIONS!!!**

CERTIFICATION:

New student employees must complete the Request for Certification, W-4, L-4, I-9 and Supervisor/Student Acknowledgement Form.
