

**CPA Exam Results**  
**Percentage of Candidates with Advanced Degrees Passing All or Some (First-time Events)\***

| University                   | Years  |        |        |        |        |        |        |        |        |
|------------------------------|--------|--------|--------|--------|--------|--------|--------|--------|--------|
|                              | 2008   | 2009   | *2010  | *2011  | *2012  | *2013  | *2014  | *2015  | AVE    |
| University of Arkansas       | 68.57% | 71.43% | 56.40% | 60.00% | 43.50% | 64.20% | 54.20% | 64.40% | 60.34% |
| Louisiana Tech University    | 66.67% | 76.00% | 52.10% | 40.00% | 50.00% | 35.30% | 66.70% | 27.30% | 51.76% |
| Louisiana State University   | 79.73% | 77.27% | 60.10% | 57.40% | 73.10% | 61.00% | 78.30% | 69.50% | 69.55% |
| University of Mississippi    | 70.59% | 67.39% | 57.80% | 61.50% | 65.60% | 47.70% | 50.00% | 63.50% | 60.51% |
| Mississippi State University | 62.79% | 73.33% | 50.60% | 22.20% | 64.90% | 45.50% | 59.00% | 68.80% | 55.89% |

\*For 2010 forward, NASBA changed this measure to include only those who are taking the exam for the first time (FT). Previously, the measure also included those who were repeating exam parts. As a result, the percentage dropped for each university.
