

2021-2022 Aviation Flight Costs Budget Increase

Important Notes:

- Students must have Aviation as a major, with the exception of PRAV109. *No fees will be added if Aviation is a minor*
- Students must be enrolled in the flight course(s) during the quarter that the flight fees have been increased.
- If the student is not enrolled in the course(s) that are listed, the flight fees will be removed and the budget adjusted.
- Students whose budgets have been adjusted for flight fees cannot exceed the annual limits for all federal financial aid.
- If the student has no remaining eligibility for federal financial aid, the student may have to seek a private loan or other outside funding in order to cover the flight fees.
- Student's original submission should be as complete and accurate as possible. If the student is not enrolled in the courses as planned, an updated form should be submitted as soon as possible.
- Requests for increases in the cost of attendance for flight fees should be made as soon as registration for the Fall quarter is accomplished prior to the student's first quarter of attendance at Louisiana Tech University.
