Proof of Dependent(s) Form
2021-2022

Students who are unmarried and under 24 years old but reported having dependents (in their household) on their Free Application for Federal Student Aid (FAFSA) must prove that they provide at least 50% of their dependents support to qualify as an Independent student. Please answer ALL questions carefully and attach sufficient documentation to support your claim. Forms submitted without proper documentation will be considered incomplete until documentation has been received. If you are unable to prove that you provide 50% of the support of your dependent, you will be considered a Dependent student and be required to correct your FAFSA using your parent's information.
