

2018-2019 NON FILER'S STATEMENT

Student Name

Student CWID

If you did not file a 2016 Federal Income Tax Return, refer to the table below to determine if you meet the 2016 Filing Requirements for Most Taxpayers. If you did not file taxes because you were not required to, list the sources and amounts of income received in 2016 in the spaces provided below.

2016 Filing Requirements for Most Taxpayers

If your Filing status is.....	AND at the end of 2016 you were.....*	THEN file a return if your gross income was at least.....**
Single	under 65	\$10,350
	65 or older	\$11,900
married filing jointly***	under 65 (both spouses)	\$20,700
	65 or older (one spouse)	\$21,950
	65 or older (both spouses)	\$23,200
married filing separately	any age	\$4,050
head of household	under 65	\$13,350
	65 or older	\$14,900
qualifying widow(er) with dependent child	under 65	\$16,650
	65 or older	\$17,900

* If you were born before January 1, 1952, you are considered to be 65 or older at the end of 2016. (If your spouse died in 2016 or if you are preparing a return for someone who died in 2016, see Publication 501.)

** Gross income means all income you received in the form of money, goods, property, and services that is not exempt from tax, including any income from sources outside the United States or from the sale of your main home (even if you can exclude part or all of it). Do not include any social security benefits unless (a) you are married filing a separate return and you lived with your spouse at any time during 2016 or (b) one-half of your social security benefits plus your other gross income and any tax-exempt interest is more than \$25,000 (\$32,000 if married filing jointly). If (a) or (b) applies, see the instructions for Form 1040 or 1040A or Publication 915 to figure the taxable part of social security benefits you must include in gross income. Gross income includes gains, but not losses, reported on Form 8949 or Schedule D. Gross income from a business means, for example, the amount on Schedule C, line 7, or Schedule F, line 9. But, in figuring gross income, do not reduce your income by any losses, including any loss on Schedule C, line 7, or Schedule F, line 9.

*** If you did not live with your spouse at the end of 2015 (or on the date your spouse died) and your gross income was at least \$4,050, you must file a return regardless of your age.

I, , have not and will not file a 2016 Federal Income Tax Return.
(Name of Non Filer-Please Print)

If you worked but were not required to file an income tax form, list your employers and the total amounts of income that you earned in 2016.

Employer(s)	Amount/year

Cash Support Received in 2016 Amount \$

(Cash Support is defined as money, gifts, loans, or any other expense(s) paid on your behalf such as housing, clothing, car payments, or other expenses such as bills, medical, or dental care).

I certify that the above information is true and correct to the best of my knowledge. I understand that any attempt to purposely give false or misleading information could make me subject to a fine of up to \$20,000, imprisonment for up to (5) years or both.
