- Advisors must review the anticipated graduation plan in light of course availability and pre-requisites and complete the following information:
 - Anticipated Graduation Date
 - Academic Advisor Signature and Date
 - Advisor Email and Phone #
- If the student can not complete their degree within four quarters, you may print an additional copy and submit both degree completion plans stapled together.
 - Advisor must provide their signature and date on both degree completion plans in this situation.
- Students will sign once the form is completed by the advisor. Student's signatures indicate that the student has full understanding they must complete the outlined degree plan. Any deviation from the plan outlined by the advisor will result in termination of the student's financial aid.
