

2022-2033 Verification Worksheet Details

for Dependent Students (Standard Verification Group - Tracking Group V1)

READ: Before you begin...

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states before awarding Federal Student Aid, we may ask you to confirm the information you and your parent(s) reported on your FAFSA. To verify that you provided correct information, the financial aid administrator will compare your FAFSA with the information on this worksheet and with other required documents. If there are differences between your application and your financial documents, Louisiana Tech will submit corrections electronically to the Federal Processor. You will receive email confirmation from the Department of Education if changes to your FAFSA are processed. We may request additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed. **Our school must review the requested information, under the financial aid program rules 34 CFR, Part 668.**

STEP 1: Family Information

For any household member who will be enrolled at least half time in a degree program, diploma, or certificate program at any post secondary educational institution at any time between July 1, 2022 and June 30, 2023, include the name of the college. If more space is needed, attach a separate page with the student's name and SSN or CWID at the top of the page. NOTE: We may require additional documentation if we have reason to believe that the information regarding household members enrolled in eligible post secondary educational institutions is inaccurate.

Your Parents' household includes:

- the student
- the parents (including step parent) even if the student doesn't live with the parents.
- the parents' other children if the parents will provide more than half of their support from July 1, 2022 to June 30, 2023, or if the children would be required to provide parental information if they were completing a FAFSA for 2022-2023. Include children who meet either of these standards even if a child does not live with the parents.
- other people if they now live with parents and the parents provide more than half of their support and will continue to provide more than half of their support through June 30, 2023.
