Financial Definitions

Member Organization Fees

Badge fee:	Each member organization has a badge/pin. Some organizations require a member to purchase a badge and others include it in the initiation fee. Badges may be very simple or jeweled. If a member is purchasing her badge, she determines how much or little she would like to spend.
Technology fee:	These funds support the member organization database, social media and other technologies.
National Collegiate Dues:	National Collegiate Dues are paid once per year by each initiated member.

Chapter Fees

Member dues:	These monies fund member activities including programming, recruitment, chapter supplies and chapter operations.
Initiation fee:	Fee paid to finalize initial membership in the organization.
Liability/risk management insurance:	This fee covers insurance-related costs for the safety of members, their guests and sorority property. Funds may also be used for special programming relating to risk management concerns on campus or within the chapter.
New member fee:	Fee paid to establish membership in the organization.
Panhellenic dues:	These funds are used to support Panhellenic operations. Examples of items that may be included in the Panhellenic budget are attending conferences, office operations, marketing and electronic media.
Social fees:	Social functions not included in chapter dues are billed out individually based upon the cost of event(s).

Facility Fees

Housing and Furnishing Fee:	These funds are used to support chapter property and physical plant. Often this is a one-time fee paid prior to initiation.
Housing Dues:	The entire membership has access to the house and thus the property is subject to a great deal of wear and tear. This fee is used primarily for care and maintenance of the property and furnishings in the common areas of the chapter facility.
