

To whom it may concern:

My name is Billy Logan and I work as a Facilities Assistant in the Athletic Department. My career in Athletics began over 10 years ago, and what an adventure it has been. My duties range from setting up for various venues (commencement ceremonies, athletic games and events, etc.) to creating a safe, clean environment for our staff and student athletes. Through this job, I have had the opportunity to build relationships with so many great people both on and off campus, all of which I hold incredibly dear to my heart. Louisiana Tech symbolizes the fundamental qualities of what it means to be a family, and I can honestly say that I feel as though I am a part of that family here at work.

It is such an honor to be nominated as a candidate for the 2020-21 Loyalty Award. Louisiana Tech holds a dear place in my heart, and I will Ever Loyal Be.

To Whom It May Concern:

It is with great honor that I recommend Billy Logan for the 2020-2021 Loyalty Award. Billy has an infectious personality and always greets you with a hello and a smile no matter where you are or what time of day it is. He is genuine and caring and is always looking to serve others in any way he possibly can.

Billy is consistent and always follows through with projects and tasks that fall within his job responsibilities and beyond. His service and loyalty to our department, students, coaches and staff is admirable. He willingly helps others and often seeks out opportunities to do so unsolicited.

He is one of my favorite people I get to work with every day. I always know he is giving maximum effort in his job but also shows a great deal of respect and love to all of the people in our program. I receive many text messages throughout the season from Billy wishing our team good luck, congratulating us on a win, or encouraging us after a tough loss. I have never experienced that from another employee in Billy's position at any university I've previously worked.

Billy has experienced a great deal of adversity over the last two years with the devastation of his home caused by the tornado as well as some serious health issues. Through all of this adversity Billy continued to have a smile on his face and come to work each day to love and serve those around him. His commitment to Louisiana Tech and its students and staff is unparalleled. It is my privilege to call him a friend and coworker. There is no more deserving employee to receive the Loyalty Award than Billy Logan.

Sincerely,

To whom it may concern,

It is with great pleasure that I have the privilege of recommending Mr. Billy Logan as a competitive candidate for the 2021 Louisiana Tech Loyalty Award. I have had the opportunity to witness Billy's servant heart, exceptional level of class, and professionalism. During my time here at LA Tech, Billy has embodied loyalty to not only the athletics department but the university as a whole. He does this by creating relationships with his teammates and his staff, coordinating the setup for our sporting events, and much more. He exudes a sense of humility, passion, and kindheartedness that makes being a part of his team rewarding.

Mr. Logan is by far one of the most hardworking people that I have had the opportunity to work with here in Ruston. Apart from his stellar work within our athletic facilities, his drive to help those who need aid, and his get-the-job-done mentality are admirable. Selflessness, team player, and servant leader are just a few ways to describe what he provides our LA Tech family

In short, I have no doubts that Billy is absolutely deserving of this award. If not for his exceptional dedication to this department or the countless hours he puts into our facilities to better the overall experience here at Tech, then for his genuine and infectious spirit of positivity and progression. I wholeheartedly believe that Mr. Logan is the definition of loyalty, and I am honored to be able to speak on his behalf.

Sincerely,

Dr. Eric A. Wood

Dear members:

I am writing this letter in support of Mr. Billy Logan for the 2021 Loyalty Award at Louisiana Tech University. Billy has been an employee of the University since 2011 serving as a custodian and helper in the athletics department. He works primarily at the Thomas Assembly Center, but can be seen at all venues across campus supporting the programs.

Billy epitomizes what it means to be Loyal Blue. He serves our campus community daily through keeping the facilities clean and orderly, and has a keen eye for improving areas where possible. He's often seen on campus on nights and weekends supporting all of the events that take place at the athletics venues. This includes working with ROTC, Union Board, Commencement exercises and many more events that take place at the TAC.

He is well-known by the student-athletes, fans and donors, and is always there when he's needed. He knows what it takes to execute at a high-level and consistently produces positive results. He embodies the Tenets of Tech with his commitment, excellence, loyalty, caring and pride in this University.

All of the things mentioned above are done with a positive attitude and willingness to go the extra mile. He doesn't complain, but simply finds a way to get the job done.

Billy is a valued member of the Tech Family, and I cannot think of anyone more deserving of this award.

EverLoyalBe,
