Custom Verification - Tracking Group V4

Important Notes:

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states before awarding Federal Student Aid, we may ask you to confirm the information you and your parent(s) reported on your FAFSA. To verify that you provided correct information, the financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences between your application and your financial documents, Louisiana Tech will submit corrections electronically to the Federal Processor. You will receive e-mail confirmation from the Department of Education if changes to your FAFSA are processed. Complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at Louisiana Tech University. We may request additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.
Your school must review the requested information, under the financial aid program rules, 34 CFR, Part 668.
