

To Our Guests

Commencement is a happy and dignified occasion. It is a meaningful time to recognize the graduates and their families, faculty, staff, and students of Louisiana Tech University. Guests and participants are therefore requested to maintain proper decorum throughout the ceremony by avoiding unnecessary movement in the seating area and by withholding applause until designated times as indicated during the program.

Following the awarding of degrees, the audience is requested to stand for the benediction and then to be seated until the recessional is completed.

Commencement Speakers

9:30 a.m.

Dr. Julia Letlow

U.S. Representative for the 5th Louisiana District

Congresswoman Julia Letlow represents Louisiana's 5th Congressional District in the U.S. House of Representatives and is the State's first Republican woman elected to Congress.

She is the first woman to represent Louisiana in the House of Representatives in 30 years.

Letlow serves on the House Committee on Appropriations, holding seats on the Subcommittee on Agriculture, Rural Development, Food and Drug Administration and the

Subcommittee on State, Foreign Operations, and Related Programs.

A native of Monroe, she is a mother and professional educator who has dedicated her life to advocate for higher education in Louisiana.

Letlow graduated from the University of Louisiana Monroe (ULM) with a BA and MA in speech communication. After completing her doctorate in communication from the University of South Florida, she returned to ULM as the ombudsperson and special projects coordinator for the Provost and Vice President of Academic Affairs, where she contributed to the development of the university's strategic plan.

Letlow is raising her two young children in Start.

2:30 p.m.

Mr. Mike Johnson

U.S. Representative for the 4th Louisiana District

Congressman Mike Johnson is currently serving his fourth term representing Louisiana's 4th Congressional District in the U.S. House of Representatives.

He is Vice Chairman of the House Republican Conference, a Deputy Whip, and a leader on the Armed Services and Judiciary Committees, where he serves as Chairman of the Subcommittee on the Constitution and Limited Government. He is also appointed to the Select Subcommittee on the Weaponization of the Federal Government, and previously served as Chairman of the Republican Study Committee, the largest caucus in Congress.

Prior to his service in Washington, Johnson served in the Louisiana Legislature, and spent two decades serving as a constitutional law attorney and federal court litigator. He earned his Juris Doctorate from the Paul M. Hebert Law Center at Louisiana State University in 1998, and his undergraduate degree in Business Administration from LSU in 1995.

He and his wife, Kelly, a Licensed Pastoral Counselor, have four children, Hannah, Abigail, Jack and Will.

The Tower Medallion

Hall of Distinguished Alumni

Louisiana Tech's Hall of Distinguished Alumni honors those who have achieved greatly in their professions, in community service, and in humanitarian activity while remaining steadfastly loyal to the University. The permanent display of the bronze plaques honoring inductees into the Hall is housed in the Marbury Alumni Center on the campus, and each inductee receives the coveted Tower Medallion. Symbolic of this honor, the Tower Medallion is the highest honor an alumnus of Louisiana Tech University can receive.

William C. Bailey, Jr.

William C. "Bill" Bailey Jr., who journeyed from his boyhood home in Ashville, AL, to the United States Air Force to Louisiana Tech to his current position as CEO of Radiance Technologies, is the University's newest Tower Medallion recipient and will today be inducted by the Louisiana Tech Alumni Association into Tech's Hall of Distinguished Alumni.

The Tower Medallion Award signifies membership in the Hall and is awarded to Tech alumni who have distinguished themselves by exceptional achievement, community service, and humanitarian activities.

Bailey graduated from Tech in March of 1987 with a BS in Electrical Engineering. In 2001 he joined Radiance Technologies, then a start-up defense contractor, which has now grown into the No. 1 small business provider for non-medical research and development services for the Department of Defense.

Bailey enlisted in the Air Force in the summer of 1979. His first assignment was at Barksdale AFB as a B-52G crew chief. He immediately began taking classes at Tech Barksdale with the goal of attaining a degree.

In 1992, when the Air Force was downsizing in response to the end of the Cold War, Bailey and his family decided to leave the Air Force and return to Alabama. In corporate America, he has worked for commercial and defense companies holding positions from project engineer to chief executive officer, until he began working with Radiance Technologies.

Bailey and his wife, Sharon, currently live in Alabama and have seven children (Bill III, Amy, Michael, Robbie, Julian, Mcayla, and Gabriel). They have three grandchildren, Isabella, Bill IV, and Rebekah.

CANDIDATES FOR DEGREES

The names in this program were candidates for graduation as this program went to press. The names of those awarded degrees "*in absentia*" will not be called but may be noted on the program. The right-pointing triple angle symbol (»») indicates the candidate earned three degrees concurrently. The right-pointing double angle symbol (») indicates the candidate earned two degrees concurrently. The double solid square symbol (▪▪) indicates the candidate earned a double major. Those with the diamond symbol (◆) earned a perfect 4.0 GPA. Baccalaureate degree candidates with the lozenge symbol (◇) next to their name completed the University Honors Program. Those with an asterisk (*) completed their degree requirements in association with the Barksdale Air Force Base Program.
