Explanatory Note: Data will be retrieved from the Board of Regents Statewide Student Profile System (SSPS). This system has been in existence for over 30 years. The data are submitted by the colleges at the end of each enrollment term of each academic year. For this indicator, the fall data (the national standard) will be used. The indicator will be reported at the end of the fourth quarter. This will allow time for collection, aggregation, and editing of the data.
