## Commencement Speaker

### Mr. Frank Bright Class of 1965

Frank Bright, 81, is a retired engineer and lawyer from Shreveport who ran his 21<sup>st</sup> Boston Marathon in April.

A Louisiana Tech Class of 1965 graduate in chemical engineering and four-year letterman in both track and cross country, Bright followed up his most recent marathon with a hike in May to the bottom of the Grand Canyon, down and back in one day. He has already signed up to run the Manitoba Marathon in June, a qualifying race for next year's Boston Marathon.

His wife of more than 50 years, Suzanne, is by her own admission “short” and can get lost in the crowd during marathons. But nothing stops the Brights; she lets her husband know she's cheering him on by waving high in the air a collapsible pointer stick with pink survey tape on its end.

Bright said “my running is a blessing” that Suzanne, their two sons, their wives and the grandkids celebrate with him, as they did when he turned 80 and ran the Boston Marathon with the whole family on the sidelines.

He won a track state championship as a high school senior, then earned a track scholarship to Tech.

After graduating from Tech and earning his Master of Science in chemical engineering from LSU, he spent nearly four years working in the field for Dow Chemical in Baton Rouge. He then turned to law, graduated from LSU with his Juris Doctor in 1974, and practiced in his hometown of Shreveport in a small law partnership before retiring at age 64 in 2007.

# CANDIDATES FOR DEGREES

The names in this program were candidates for graduation as this program went to press. The names of those awarded degrees "*in absentia*" will not be called but may be noted on the program. The right-pointing triple angle symbol (»») indicates the candidate earned three degrees concurrently. The right-pointing double angle symbol (») indicates the candidate earned two degrees concurrently. The double solid square symbol (▪▪) indicates the candidate earned a double major. Those with the diamond symbol (◆) earned a perfect 4.0 GPA. Baccalaureate degree candidates with the lozenge symbol (◇) next to their name completed the University Honors Program. Those with an asterisk (\*) completed their degree requirements in association with the Barksdale Air Force Base Program.
