

ALMA MATER

By John P. Graham

O Tech, thy halls so beautiful,
Thy pleasant walks, thy noble trees,
That charmed me in my college days
Are ever dear to me.

Louisiana Tech I love thee,
My Alma Mater, my Alma Mater;
I will ever loyal be
To thee, my Alma Mater.

Commencement
Spring 2025

The Tenets of Tech

tenet /'tenət/ *n.* An opinion, doctrine, or principle held as being true by a person or especially by an organization.

A college or university is often defined by the traditions, values, and principles established by its leaders over the course of many years and how effective those leaders were in infusing these concepts into the culture of the institution. Over time, these concepts become the cornerstone of the institution's identity and the pillars upon which its mission and vision is built. They should also comprise a large part of the students' personal character and serve as a guideline for future generations.

Louisiana Tech University has developed 12 guiding principles — the Tenets of Tech — that exemplify the qualities that students should possess upon graduating from the institution. It is expected that students will conduct themselves according to these Tenets during their academic careers at Tech and, after graduating, continue to personify these Tenets in their personal and professional lives. In essence, these Tenets become more than ideas to be learned; they become a moral and ethical compass with which to navigate through life.

As each student exits the stage, they will receive a commemorative medallion inscribed with the 12 Tenets to remind them of their days at Tech and the guiding principles that will be invaluable as they begin the next chapter of their life.

To Our Guests

Commencement is a happy and dignified occasion. It is a meaningful time to recognize our graduates. Therefore, guests and participants are requested to maintain proper decorum throughout the ceremony by avoiding unnecessary movement in the seating area and by withholding applause until designated times to be indicated during the program.

Following the awarding of degrees, audience members are requested to stand for the alma mater and then to be seated until the recessional is completed.

We heartily welcome you

COMMENCEMENT SPEAKER

Doug Strickel

Louisiana Tech University alumnus Doug Strickel transitioned from nearly four decades as a CPA and manager in the business world into a business owner of Strickel Leadership Development.

A Tech Class of 1987 graduate in accounting and a member of both the Alumni Association Board of Directors and the College of Business Accounting Advisory Board, Strickel was a CPA with the global professional services network of Ernst & Young before serving more than 30 years with International Paper in numerous capacities, including his role as a regional general manager for the Fortune 500 company.

Through working in numerous jobs in various locations and with thousands of other employees and customers, Strickel both developed business plans and leaders. He was on the forefront of his company's focus on employee engagement, leadership development, and creating a safe and rewarding culture for its people.

The author of *People Are the Plan: A Leadership Approach to Winning with People*, Strickel came to Tech from a single parent home on a partial academic scholarship, a Pell Grant, and eventually a part-time job at Ruston State Bank (now Century Next Bank).

"I didn't have a Plan B if I didn't keep the scholarship or if the grant was taken away," he said.

And so, Strickel made it count. Tech was there to help.

"The education I received in four years at Tech totally changed the direction of my life," he said. "My background story doesn't normally end in a favorable direction; Tech was the start of a new life for me."

CANDIDATES FOR DEGREES

The names in this program were candidates for graduation as this program went to press. The names of those awarded degrees "in absentia" will not be called but may be noted on the program. The right-pointing triple angle symbol (»») indicates the candidate earned three degrees concurrently. The right-pointing double angle symbol (») indicates the candidate earned two degrees concurrently. The double solid square symbol (••) indicates the candidate earned a double major. Those with the diamond symbol (♦) earned a perfect 4.0 GPA. Baccalaureate degree candidates with the lozenge symbol (◊) next to their name completed the University Honors Program.
