

53RD ANNUAL

Louisiana Tech University
Tech Farm Production Sale

SATURDAY, MAY 2, 2026
1:00 P.M.

Louisiana Tech University South Campus
www.LATech.edu/farmsale

It is springtime on South Campus! Along with the azaleas blooming, the greening pastures, and the bluebird skies, everyone is excited and ready for the 53rd annual Farm Production Sale.

The effort and detailed planning that goes into this event is all done for our students, and I thank everyone who assisted for their time and hard work. To our guests, the financial support that you provide by being part of this sale provides opportunities, sets an example, and literally changes the lives of students that receive scholarships. The support also goes right back to Tech Farm, providing a standard of agricultural science education second to none in Louisiana.

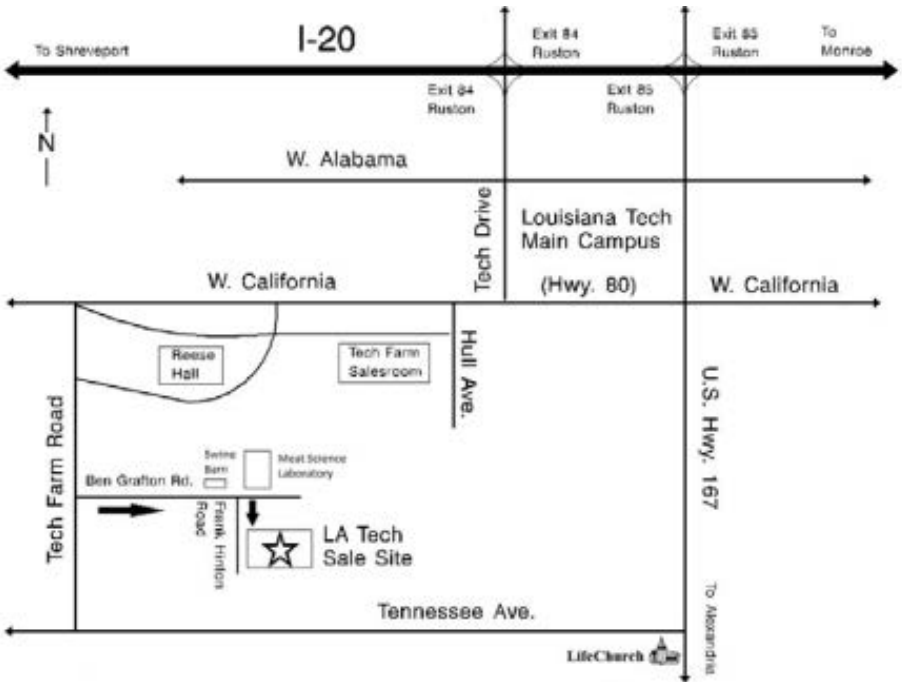

On behalf of the School of Agricultural Sciences and Forestry, I welcome you today and thank you for putting student success first.

Sincerely,
D. Paul Jackson, Ph.D.
Director & Professor of Plant Science
School of Agricultural Sciences & Forestry

Sale Location

Directions: Take Tech Farm Road to Ben Grafton Road, then turn right onto Frank Hinto Road.

Taylor Made Auctions

Dusty Taylor, Auctioneer

Louisiana License No. 836-26

Ringmen: Marc Taylor, Dr. Mark Murphey

TABLE OF CONTENTS Page(s)

TERMS AND CONDITIONS..... 5

FINISHED MARKET STEERS: LOTS 1 - 5..... 7

FINISHED MARKET HOGS: LOTS 6 - 11..... 9

FINISHED MARKET LAMB: LOT 12..... 10

COW/CALF PAIRS: LOTS 13 - 15..... 11

CROSSBRED HEIFERS: LOTS 16 - 45.....12-13

REGISTERED HEIFERS: LOTS 46 - 47..... 14-15

OTHER CATTLE: LOTS 48 - 50.....16-17

MISCELLANEOUS LOTS 51-70.....18-20

TERMS AND CONDITIONS

1. Each lot will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.
2. All announcements from the auction booth on sale day will take precedence over statements in this catalog.
3. Terms of the sale are cash or check. Checks should be made payable to the Louisiana Tech University Foundation.
4. Each animal will be at the purchaser's risk as soon as sold; however, the university will feed and care for the animals, without charge to the purchaser, for a period of up to 48 hours after the sale if prior arrangements are made.
5. Lots 1 through 12 are market animals that will, at the buyer's request, be processed and wrapped into retail cuts by the Louisiana Tech Meat Science Lab, with no additional charge to the buyer. Please allow 30 to 60 days for completion of processing for hogs and lambs and 90 days for steers. Market animals will be sold by the hundred weight (cwt.).
6. Animal Health:
 - All cattle have been dewormed and vaccinated for IBR, PI-3, BVD, Lepto, and Vibrio.
 - The Louisiana Tech beef herd is certified Brucellosis-free (Herd #89-816).
 - Health certificates for interstate travel and other appropriate documents will be provided on each animal.
7. Registration certificates for registered animals will be available to buyers at check out.
8. Females sold as "exposed" are not guaranteed to be pregnant.
9. Any claims regarding the cattle must be made within 30 days of the sale.
10. All persons who attend the sale do so at their own risk.

Dear Friends,

Welcome to our spring tradition—the 53rd Annual Tech Farm Production Sale. It’s a special time to bring together alumni, friends, and newcomers for a meaningful occasion.

Beyond fellowship, this sale serves an important purpose. It supports our livestock units, provides scholarships for our students, and helps feed those facing food insecurity. While our program receives some university funding, it does not cover the full cost of teaching and research. Tyler, Colby, and Slaide work tirelessly, seven days a week, to care for our cattle and horses and support hands-on instruction. That same dedication is shared by Emily, Hilari, Zander, and Mica with our sheep and swine units, along with Gordon’s efforts to educate students and the community about our industry. Our Meat Science Laboratory also plays a vital role in serving consumers and processing livestock for the community.

Addressing the rising cost of higher education is another key focus. Over the past two years, this event has raised more than \$63,000 in scholarships, directly supporting students and strengthening future endowments.

Finally, this event helps feed others. With support from Century Next Bank and Louisiana Land Bank, we have provided more than 9,000 servings of beef to the Food Bank of Northeast Louisiana. It’s one way we live out the “Eat More Beef” message, one serving at a time.

I look forward to seeing you on May 2. Join us for lunch, meet our students, and enjoy the day.

Go Dogs,
Dr. Mark Murphey

FINISHED MARKET ANIMALS

Lots 1 through 12 are market animals that will, at the buyer's request, be processed and wrapped into retail cuts by the Louisiana Tech Meat Science Lab, with no additional charge to the buyer. Please allow 30 to 60 days for completion of processing for hogs and goats and 90 days for steers. Market animals will be sold by the hundred weight (cwt.).
