Louisiana Tech University
Office of Financial Aid
PO Box 7925 Ruston, LA 71272

Important Notes:

- Students must have Aviation as a major, with the exception of PRAV109. No fees will be added if Aviation is a minor.
- Students must be enrolled in the flight course(s) during the quarter that the flight fees have been added to the budget.
- If the student is not enrolled in the course(s) that are listed, the flight fees will be removed and the budget adjusted, which could cause the student to owe money back to the University.
- Students whose budgets have been adjusted for flight fees cannot exceed the annual limits for all federal financial aid.
- If the student has no remaining eligibility for federal financial aid, the student may have to seek a private loan or other outside funding in order to cover the flight fees.
- Student's original submission should be as complete and accurate as possible. If the student is not enrolled in the courses as planned, an updated form should be submitted as soon as possible.
